

## ANNECY AND LA CLUSAZ TOUR September 07-08, 2013

# Haute-Savoie Between Lake and Mountain

Inhabited since prehistoric times, **the shores of Lac d'Annecy** have long welcomed visitors who are attracted by the green and rocky scenery around the lake.

Now **one of Europe's purest stretches of water**, the lake's appeal lies as much in its opportunities for contemplation as in the numerous activities available.

Such possibilities are further boosted by the development of cycle paths and the proximity of Semnoz mountain.

# Haute-Savoie Between Lake and Mountain

Imagine an international alpine resort, at the heart of the Alps, in an active and magnificent place.  
Imagine fresh air at only 30 minutes of Annecy, of its lake, and near Geneva and Lyon airports.  
**Stop imagining. Welcome to La Clusaz !**

**Sporty, lively, friendly,**... just a few words that sums up La Clusaz.

Nestled in its mountains, yet close to the magnificent Lake, the resort has managed to maintain its identity as a charming alpine village, yet develop into a bustling international alpine resort.

Come and experience what La Clusaz has to offer, from its summer activities, fine dining to its authentic atmosphere ...

## Discovery Cruise

welcome on board for a one hour boat trip to discover the beauty of Lake Annecy and its shores...

## Then, a City Tour with a private guide

You will visit the old borrows of Annecy, with a private guide, licensed by the French Ministry of Culture. Along the way, you will discover the charms of this city founded in the Middle Ages, which became over time a dynamic and peaceful city.

### **The castle**

It was the residence of the Counts of Geneva in the 13th and 14th centuries. Over the next two centuries, new developments gave the castle this odd-looking synthesis of defensive medieval architecture and elegance inspired by the style of the castles of the Ile de France.

### **The “Palais de l'Ile”**

Clasified “historical monument” in 1900 and often called “the boat house” He was in the past a jail, then the courthouse and the administrative center. It is an original building whose oldest parts date from the 12th century.

## Your evening : a Garden Party in the mountains

Imagine a garden Party made in Savoie, just a few minutes walk from your hotel.

### A tasting of 100% natural, seasonal and local products ...

For this “mountain” evening at la Clusaz, we suggest a new concept of mobile meals, to discover the local gastronomy...

☞ **the “fondue”** like you have never tested it through **the tree for fondue**, a 'tree' to enjoy standing fondue, bread, bottles and glasses clinging "to the branches"... in a **friendly atmosphere**.

☞ **Barbecue and Plancha**... «workStation» : a modular trailer, based on the model of a Swiss army knife...

Mix of meats, served with a choice of Savoyard specialties, seasonal salads, cheese and a lot of desserts ... everything is cooked by the Chef for a happy evening!
